Mathematics Summer Pack

The students will also practice Math skills using IXL.

Practicing:

1. Log in your IXL account through the school portal.
2. Click on “Practice” tab on the top left corner.
3. Choose the grade level that your child currently completed.
4. Choose the skill that your child may wish to practice and provide encouragement to practice at excelling in the math skills.
5. The progress of your child can be accessed by clicking on the “Reports” tab. This will give full details of the practice and progress that has taken place. Please print out a report and have your child submit it to his/her teacher on the first day back to school.

Note: It is advisable that your child practices all the skills stated in his/her grade level below.
