The summer work will be included in the Quarter1 formative assessment.

Psychology

With reference to the Psychology textbook on Inthinking, read the first chapter under Abnormal Psychology: Diagnosis. This chapter includes the following content: classification systems, validity and reliability, factors influencing diagnosis and ethics in diagnosis.

1. IB students: Summarize the chapter in one page.
2. AM students: Using words and images create a poster which explains and illustrates your understanding of the chapter. The poster must be presented on A3 chart paper.
